School District of Abbotsford

2026-2027 Goals

1. By the end of the 2026-27 school year, all students in the district will achieve at/above grade level benchmark for literacy or grow at or above the 50th percentile based on their screener.
    - All of our student subgroups will have a minimum value-added score of 3.0 as measured by the state report card for literacy.
2. By the end of the 2026-27 school year, all students in the district will achieve at/above grade level benchmark for math or grow at or above the 50th percentile based on their screener.
    - All of our student subgroups will have a minimum value-added score of 3.0 as measured by the state report card for math.
