Guidelines for eligible community service activities

Community service hours are subject to the following guidelines:

1. Service hours must be fulfilled outside school hours unless approved by administration.
2. The service may not be performed for a relative.
3. The service shall be performed without a material reward.
4. Attending meetings or being on committees will not qualify as service hours.
5. Service hours meeting class requirements will not qualify.
6. Students may not use court-ordered community service hours to fulfill the graduation requirement
7. All community service hours may begin to accumulate on June 1, 2022

If you have questions about the eligibility of the activity, get it pre-approved by administration.
